Presentation Schedule

- Each group is required to present your proposal (around 3 minutes) and answer questions from instructor and classmates (around 1 minute).
- Feel free to use your own slides for presentation if you have – get prepared when it's your turn
- TA has created a `#proposal` channel in Slack. Share your proposal in the Channel and provide your feedback to others' proposal after class.
 - As part of grading for “Ideate and discussion”, peer discussion on Slack will count towards 2% of your final grade. Please provide feedback to at least 2 groups.
- Attendance to each discussion session will count towards 1% of your final grade.
